

End Connector

Size(mm.)	Art.Nr.	MOQ
20	28-J020/EW	25

- **Non-metallic**
- **Non-corrosive**

PUSH -FIT design for quick and easy installation and disassembly.

- Easy to alter or extend a system
- No corrosion
- Reduced maintenance and installation times

Performance :

- Temperature
Minimum working temperature : -20 °C
Maximum working temperature : +70 °C
- Pressure
Continuous working pressure : 10 bar
